JOIN US FOR THE EXPO 50 H2O SYMPOSIUM!

- **Date:** May 30th **Where:** Spokane Convention Center
- **Learn more at** spokaneriver.net/expo

Join over 200 friends and colleagues for a full day of exploring the theme “Calibrating Water Solutions in the Era of Climate Change.”

“The time has come,” said Forum Executive Director Andy Dunau “to get to the nitty gritty of how our communities are preparing and implementing water solutions for a changing climate.”

Our keynote speaker is [John Matthews](#), co-founder and Executive Director of the Alliance for Global Water Adaptation (AGWA). He has led development of new climate risk methodologies specific to water that are being used in dozens of countries.
